

PRE RACE BRIEFING NOTES

Welcome to the first edition of Fraser's Hill Tristate Ultra Trail Run 2018 Series that consist of 3 different categories of 50KM, 25KM and 15KM.

We believe everyone is excited and ready for the fantastic challenges of this ultra trail run. Whilst we love the nature of the trail that create some amazing experience to all runners in all categories.

We hope you are all injury free healthy and looking forward to the challenge ahead. Online entries are closed now. Thank you to all runners who are supporting the event.

We again welcome all runners from 10 different countries and state around Malaysia to the event. To all volunteers we thank you for helping us to create a relaxed friendly and supportive atmosphere, as always we can't put on events without the wonderful volunteers, of course come race day we are often in need of a few extra, so if you are running and someone coming along with you is at a loose end we'd love to have them on the team, just let us know in advance so we can plan ahead.

Good Luck All, Fraser's Hill Tristate Ultra Trail Run will be a rewarding, challenging and memorable experience, and most of all FUN, even through the painful bits.

IMPORTANT

Weather Forecast is looking perfect, BUT come prepared for

Day 25'c degrees / Night 18'c degrees

Rain – Mostly Rain but in short period

Wind – 6KM/H W / Humidity – 82%

As always running in mountain locations the weather can change, or it can simply be different at the top compared to conditions at the bottom. Be sure to have warm dry clothes for after run and be aware that conditions may require a wind or waterproof jacket.

KEY POINTS TO NOTE

- There are no race bib mail outs.
- You must register and show your mandatory items before your event in the morning before flag off on your categories.

COURSE NOTES AND SAFETY

CONTINUE ACCESS AND THE FUTURE OF THIS EVENT

The future ability to hold this event depends totally on how we as a group conduct ourselves. Pahang Forestry do not guarantee we can continue to hold this event, Fraser's Hill Town Council are key to our access also and now with the support from Pahang Forestry Raub District to approve access to the trails. If we are to have a chance of future trail events in this location it is important we abide by a series of guidelines. It only takes one member of the public to get upset and lodge a complaint and the event may not be

allowed to continue. Any rubbish found on course can also reflect poorly on the event, these are just a couple of items to be aware of, importantly focus on the course markings, DO NOT stray into restricted water catchment areas.

Always be respectful of other park user

Do not startle people by charging up behind them, let them know you are coming and would like to pass, slow down when passing and when approaching from the opposite direction. The main area you are likely to meet others in the park are on the last CP onwards.

Technical and Steep Uphill / Downhill although the course is very runnable in most parts there are some very steep and technical sections and rock climbing with rope. Please ensure you move at a controllable pace, take extreme care when you start to descend from the peak at the top is unstable, slippery, rocky and technical **SLOW DOWN HERE**.

As always have fun and enjoy the experience, there are lots of undulating sections that require you full attention but for the most part the course is runnable, I know you will enjoy it.

Environment LEAVE NO TRACE Do not leave any sign of rubbish behind, it is very important that we don't drop rubbish or let rubbish get away from us at aid stations. In particular our Gel packets and tear off tabs, please don't drop them on the trail carry them with you to aid stations and drop in the bin provided, please try to keep aid station areas free from rubbish by using the bins on the last CP. (Jeriau Waterfalls CP)

All events will have pre race briefing to go over any questions you may have and to provide me an opportunity to quickly cover what is required from us all on the day.

YOU MUST ATTEND THE BRIEFING OR WILL NOT BE PERMITTED TO START THE RACE

SAFETY It is a requirement of entry to the event that you assist any runner in need of help, if you come across an injured or distressed runner please offer assistance or get assistance for them. Runner's health and Safety is a number one priority. We will take into account the time (in regard to cut-offs) you spend with a runner in need if you are then able to continue on with the event and finish.

PERSONAL BELONGINGS An area will be provided for personal belongings however the race director takes no responsibility for the safe keeping, if you intend to have valuables please consider locking them in your car. And as your car is located at the finish line, it is safer to leave in your car out of sight or locked in the boot.

CHECK POINTS / AID STATIONS There will be a number of manned aid stations and possibly locations where water will be available from large containers. The aid stations will be stocked with fruits, energy drinks, plenty of water and some hot cereal at special CP.

DNF / DISQUALIFIED If you have been marked as DNF/DQ, please surrender your bib to the crew and you have to walk/run out to the last CP (Jeriau Waterfalls CP) without any transportation services. Transportation services only available at Last CP to send you back to the starting/finishing line.

SHOE CHOICE it is highly recommended that all participants wear a suitable footwear, there should be in the form of a quality trail running shoe. No road running shoes are allowed as the trail are muddy and slippery due to the wet/misty conditions of weather. However, recommended trail running shoes will be available on sales during race day.

TRAFFIC MANAGEMENT / RUNNER CONTROL

There is only official traffic management on the main road, but please ensure you take extreme care on two sections of gravel road at Jeriau Waterfalls CP on the way back to finishing line. Traffic on both roads is very rare but still likely, please remain alert and obey normal traffic rules.

DISTRACTIONS As part of our safety requirements during the event. Music devices of any form are not permitted on any trafficable road/trail section or when you are in sight of an aid station. This means ear phones are not to be even placed in the ear even if no music is playing. We understand that many people like to run with music but I would like to encourage everyone to enjoy the sight and sound of the magnificent forest land and for them to leave their iPods etc in their bag and not take them on course. It is also rude to approach aid stations where volunteers are there to help and encourage you, do them the courtesy and acknowledge their contribution toward you having a successful event.

Navigating the Course

The entire course will be marked with a series of signs and caution tape. (RED/WHITE). We will also use white reflective markers during the dark to assist. Please note that some junctions will be placed on a red blinker light, please do not remove them.

PRESENTATION

Presentation will take place at approximately 11AM for 15KM runners & 5pm or as soon as practicable after the 5th place 50km runner's finish, this may change depending on how the day pans out but this is the plan. Also if you have finished in the top 5 places and need to leave before presentation, please come and find us and we will present your trophy to you.

GETTING THERE

We have only 1 chartered bus going from KL Sentral on 12pm noon 14th July 2018 and return on Sunday 8pm night 15th July 2018 back to KL Sentral. Seats are limited. Fees are RM160/pax for 2way. Please inform us via email to info.kowkowsport@gmail.com

CAR PARKING It is extremely important that we **DO NOT** fill the main car park, please consider how you park and make best use of the space as there are no bays to define where and how, there are additional carparks within 500M of the finishing area so plenty of space if used correctly.

CAMPING AREA We have selected open space area for those who like to set up his own camping tent. However camp site fire is not allowed. We have another option to those who would like to rest in our repc hall can just bring a sleeping bag.

WASHING AREA / REST ROOMS / MOSQUE We have 2 public toilet and 2 washing area are ready to runners to clean up. Mosque are available 300m from flag off area.

POST RACE REFRESHMENT We will give a food/meal voucher for each participants during repc and have appointed all restaurant (Chinese/Malay/Western) in Fraser's Hill for food redemption before/after your race to keep the freshness of your meal. However, vegetarian can choose their meal in the preferred restaurants.

INSURANCE We have engaged MSIG Sport Insurance with Group Personal Accident Insurance sums of RM10,000.00 each participants and crew. However, it is highly recommended that you have personal insurance cover in time for this event.

EMERGENCY EVACUATION We have engaged an experience team of rescue and Bomba Crew on medical standby on the road & in the trail. Emergency Medical Rescue Ambulance & Helicopter for emergency evacuation are available on standby too during our event day.

THANK YOU VOLUNTEERS
YOU ARE ALL AMAZING AND MAKE OUR EVENTS SPECIAL
